

List of national clinical audits for inclusion in Quality Accounts 2012-13

Criteria for inclusion

- Coverage: intention to achieve participation by all relevant providers in England.
- Data collected on individual patients
- Provides comparisons of providers
- Recruiting patients during 2012-13

NCA's meeting inclusion criteria (n = 51). All national clinical audit suppliers on this list, at the time of publication, advised that they would be recruiting patients during 2012-13. If subsequently a supplier decides not to recruit patients during this time then the clinical audit should be considered to be removed from the list as it no longer meets the criteria for inclusion.
