

## PPI Video Transcript

### Slide 1

A Guide to Patient and Public Involvement

### Slide 2

Patient and public involvement is at the heart of everything we do

### Slide 3

We commission, manage, support and promote programmes of quality improvement

### Slide 4

We work with patients and healthcare professionals to improve services

### Slide 5

What do we mean by Patient and Public Involvement (PPI)?

### Slide 6

Patients and public refers to service users, carers, children & young people

### Slide 7

What do we mean by involvement?

### Slide 8

Working with patients to empower them to become champions of change

### Slide 9

What is co-production?

### Slide 10

Working together with patients to deliver on our main business

### Slide 11

*Image: PPI in the HQIP commissioning process graphic*

### Slide 12

We involve patients in our activities and decision making processes and aim to enable others to improve PPI in their QI initiatives

## Slide 13

PPI adds value to a decision or activity

## Slide 14

We focus on the 4PI standards

- Principles
- Purpose
- Presence
- Process
- Impact

## Slide 15

Who is the Service User Network (SUN)?

## Slide 16

Our valued advisory group of patients/carers/public

## Slide 17

SUN has supported HQIP and our providers for more than a decade

## Slide 18

This influences and informs our decision-making processes

## Slide 19

We get a more rounded perspective when we involve patients and the public

## Slide 20
