

TRUE CO-PRODUCTION: SHARED POWER IN ACTION

Patients, carers and the public work as equal partners from the first decision to the final evaluation

- 1

START EARLY
Involve people before decisions are made
- 2

SHARE POWER
Show how input changes outcomes
- 3

PARTNERSHIP
Build trust; respect lived experience

- EQUITY & INCLUSION**

Remove barriers; hear diverse voices; accessible information

4
- SUPPORT PARTICIPATION**

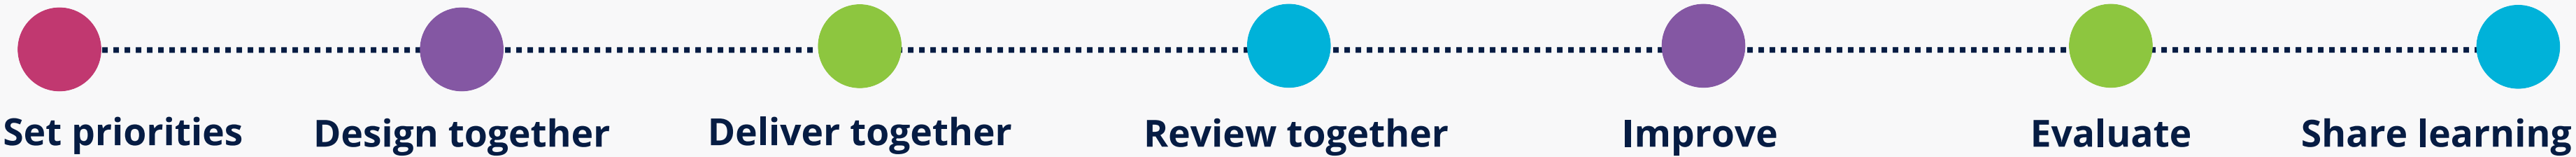

Provide safeguarding + emotional support

5
- FEEDBACK & IMPACT**

Show what changed and why

6

WORKING TOGETHER ACROSS THE WHOLE CYCLE

SELF-CHECK

Involved from the beginning?

Can contributors influence decisions?

Are diverse voices represented?

Will contributors see the impact?
